

This is Our Community Too That's Why We Give Back

From the Desk of Lou Lombardi

First, let me say **thank you for making it possible for us to give back to 'our' community.** Without you, our clients, we wouldn't be able to support the different charities and programs we do.

We are committed to continue to support **'our' community** with your help. You can count on **Lombardi Auto Body & Repair**, a family owned and operated repair shop for 38 years, to not only take an active interest in what's going on in our community but help make it even better.

Sometimes, as in the past, we may even call on you to help us. Let's face it, we all benefit from a strong, healthy community.

To make you aware, we have been and/or are currently involved with...
Wounded Warriors, St. Jude Children's Hospital, Shriners, and Washington Christian Outreach.

We've always tried to give back and support "our" community. For us, **it's NOT an obligation**, but a privilege and our duty!

Our "headquarters" is here; not hundreds and thousands of miles away, which means we're fully invested in this community and affected by what goes on right here!

***Lou Lombardi,
Lombardi Auto Body & Repair
