3 Key Tips for getting your car ready for the change of seasons

Car Battery: Fall is a good time to inspect your car battery, making sure the cables and terminals are snug, and retighten as necessary for good contact. **You can bring your car in for a FREE battery test.**

Tires: Proper maintenance and responsible driving can maximize the mileage in a set of tires. Monthly tread inspections can inform when the tires warrant replacement. **If you're not sure stop in and we'll take a look at your tires.**

Wipers: If your wipers are leaving streaks of water on your windshield, then it's time to replace them. Wipers typically need to be changed every 6 to 12 months. **We offer FREE installation when you buy your wiper blades from us.**

VETERANS DAY WEDNESDAY, NOVEMBER 11, 2025

Did you know?

The Great War Society has developed a Web site devoted to World War I educational materials. The World War II Memorial celebrates the victory of "the greatest generation" with a design that uses moving water to harmonize with its natural surroundings. Visit the Korean War Veterans Memorial online; this moving memorial, dedicated in 1995, is the latest addition to the National Mall in Washington, D.C. See a registry of all the names on the Vietnam Veterans Memorial Wall in Washington, D.C.

Easy Tiramisu combines creamy vanilla pudding coffee, and cocoa for a balanced dessert

Ingredients:

14 vanilla wafers divided

1 teaspoon instant coffee granules

2 tablespoons hot water

2 (3.5-ounce) cups snack-size vanilla pudding

1/4 cup whipped topping

1 teaspoon baking cocoa

Directions

- In a small bowl or resealable plastic bag, coarsely crush 10 of the vanilla wafers.
- Evenly spread the crumbs into two dessert dishes.
- In a small bowl, add the instant coffee granules to the hot water and stir until they have completely dissolved.
- Use a small ladle or spoon to evenly drizzle the coffee over the crumbs.
- Use a small spoon to evenly spread the pudding over the crumbs.
- Evenly top the pudding with the whipped topping and sprinkle with the cocoa.
- Serve the tiramisus garnished with the remaining vanilla wafers.

Lombardi Auto Car Care & Collision Wants You to Avoid a Breakdown on Your Holiday Trip with Our Pre-Trip Vehicle Check

One way to **avoid a breakdown on your Thanksgiving Road trip** is to make sure the vehicle you will be driving has NO potential problems.

A pre-trip check is small potatoes compared to a big helping of inconvenience if you break down many miles away from home, according to the Car Care Council.

"A pre-trip vehicle check provides peace of mind, helping reduce the chance of costly car trouble and providing an opportunity to have any repairs performed by your own trusted technician before hitting the road," said Rich White, of the Car Care Council.

The Car Care Council suggests checking at least the following items to help ensure safety and reliability on the road:

- **Check the tires**, including tire pressure and tread. Uneven wear indicates a need for wheel alignment. Tires should also be checked for bulges and bald spots.
- **Check all fluids**, including engine oil, power steering and brake and transmission, as well as windshield washer solvent and antifreeze/coolant.
- **Check the hoses and belts,** they can become cracked, brittle, frayed, loose or show signs of excessive wear. These are critical to the proper functioning of the electrical system, air conditioning, power steering and the cooling system.
- **Check lighting** to identify any problems with exterior and interior lighting as the chance of an accident increases if you can't see or be seen.
- **Check wipers.** Wiper blades should be replaced every six months. Make sure the windshield wipers are working properly and keep the reservoir filled with solvent.

During November, Lombardi Car Care & Collision Will Inspect All of These Items as a Thanksgiving Courtesy
